

2020 WEDNESDAY NIGHT 2-PERSON LEAGUE

COMMITTEE RULES & SCORING

- Matches will be from 4:12 to 5:22 on both the front and back nine.
- League runs from Wednesday, June 3 until August 19. Championship Day is an 18-hole event with tee times on August 23 with a 9-hole rain out date of August 26.
- Maximum 9-Hole Handicap and strokes allowed - 20 (Approved League Max)
- Maximum gross score is Double Par plus Handicap Stroke(s) provided on hole played.

Example for player getting 2 strokes on a hole:

On a Par 5 Player A can pick up following their 11th stroke if not holed. Gross score will be 12 (max) Net score will be 10.

Example for player getting 1 stroke on a hole:

On a Par 4 Player B can pick up following their 8th stroke if not holed. Gross score will be 9 (max) Net score will be 8.

Example for player getting 2 strokes on a hole:

On a Par 3 Player C can pick up following their 7th stroke if not holed. Gross score will be 8 (max) Net score will be 6.

ALL PLAYERS MUST EITHER HOLE OUT OR ACCEPT MAX SCORE FOR TEAM SCORING

- Players with an age of 65+ and a handicap of 15+ can play from the Silver tees. Please reach out to Kris regarding your interest in this.
- Out of bounds – Stroke & Distance Only (All provisional shots must be declared) – League Rule. (2018 USGA OB Rules in effect)
- The Season will consist of Two 6 week scoring Halves. The 1st and 2nd place teams of each half will qualify for the Championship on the 13th week to determine the eventual champion via two 9-hole matches. The four teams will be seeded and will play for 1st through 4th place in two separate matches.
- In the event that the entire August 23 semifinal & finals matches not being complete due to inclement weather the final match format on August 26 will be Championship Match – 1st place (1st half) vs 1st place (2nd half) and Runner Up Match 2nd place (1st half) vs 2nd place (2nd half).
- Substitutes Are Not Required this season but a team loses 1 point per player not playing. If only 1 team member is present with no substitute, the matches will be conducted as noted here: Player 1 will play both opponents in single net match play and with a doubled net score for an overall team score, with an opportunity to take all 8 points. If a team's opponents do not show, then they need to choose to either go for an automatic 7.5 points or go for 10 points against a blind draw before they tee off by having the starter mark their scorecard. If only one player

is playing from both teams then that player will have to make a choice to either go for 6.5 points or go for 9 points against a blind scorecard draw. That player must inform the starter prior to the round and he will mark on the scorecard which option you have chosen.

- Please note that both members of the team can miss up to 3 matches per half, they are not eligible to win any half if they exceed three missed matches in that half.
- Players must **not** remove the flagstick from the hole. Players can lift, clean and place in the bunker no closer to the hole. A player can ground their club inside of a penalty area – old water hazard (not a sand trap), the 3-minute time limit is in effect for searching for a lost ball and the new drop rule is in effect. (Dropped from height of a player's knees when in a standing position)

Point Allocation

- **4 Points** eligible for total low net score Team vs. Team (Includes substitutes with their Handicap or at Scratch) Total team gross score & subtract handicaps. Halved Team Matches results in 2 points per team.
- **2 Points** eligible for each player low net Single Match Play. Halved single matches result in 1 point per player.
- **2 Points** eligible for each player for showing up (including subs 1 point per sub).
- **10 total Team points at stake weekly**
- **If your opponents No Show your team has the option of playing and receiving 7 & ½ total points OR your team can compete for 10 points by playing (2) randomly selected players for the evening and scoring against them in a blind fashion. (Results posted by 10am Friday following play) If you play to compete for 10 points against a blind team, your team must announce to the starter your intentions. (The starter will mark your card – BLIND SCORING or 7.5 points and initial it) Your official scorecard needs to be returned the night of play with both players' signatures regardless of scoring method chosen. If only player from a team can play against the no show, then they only get the 1 participation point on the blind scoring team.**

2020 DGC - Wednesday Two-Man League Handicap Rules

Player Handicaps will be based off their 2019 league scoring or a current 2020 CDGA handicap index as of May 2nd revision. Certified and verifiable, 2019 USGA online handicap systems indexes may be accepted upon review.

Players without an official CDGA/USGA handicap index will be subject to the below handicapping method approved by the Deerfield Golf Club, until their 2020 CDGA 9-hole index is valid.

Non-handicap player week One Handicap determined by using 0% of the differential from the players gross score to par. NH player week Two Handicap determined by using 40% of the 1st round differential from the players gross score to par. NH player week Three Handicap determined by using 80% of the 2nd round differential from the players gross score to par. Fourth week the player is at a full 100% handicap.

- **Example Week 1:** Non CDGA index player shoots 46. Differential to par is 10 strokes & week one handicap is 0. Net score = 46
- **Example Week 2:** Non CDGA index player shoots 46. Differential to par is 10 strokes & week two handicap is 4 (40%) Net score = 42.
- **Example Week 3:** Non CDGA index player shoots 46. Differential to par is 10 strokes & week three handicap is 8 (80%) Net score = 38.
- **Week 4** – Full handicap

IF a Substitute is playing, they must have an established CDGA handicap index.

Any substitutes without an official CDGA index will play as scratch for the day. ***No exceptions.***

The low handicapped player's & substitutes ***will always*** play their match against each other.

Substitutes with handicaps must be determined with notification to the golf shop outside of 45 minutes prior to the teams scheduled match. Subs determined inside of 45 minutes of the scheduled match will play as scratch against the lowest opposing team's handicapped player. ***No exceptions***
