2020 Revised Classes**

DJGA Small Group Summer Series

******Please note these small group classes will replace our summer camps for 2020******

Our Small Group Summer Series will replace our Full and Half Day Camps for 2020. These sessions will be run by our professional staff and will include an instructional segment each day in addition to time on the golf course with a coach. The instruction portion of these classes will be broken into small skill stations that will consist of drills and exercises focused on full swing, short game and putting. We will also discuss etiquette and rules as we prepare the golfers for time on the golf course. All of these classes will maintain a 4:1 coach to teacher ratio to ensure social distancing practices. All classes will run Monday-Thursday 12:00pm-4pm. If you have a group of four friends that would like to create a group we may be able to do a custom time/schedule for you.

Golf, Motor Skills, & Fitness (Tiny Tykes)

Tiny Tykes is a golf-specific sports program that incorporates athletic movements with golf fundamentals. The program teaches kids the basic fundamentals of golf through a series of athletic drills, games, and activities. Our team of US Kids Certified Golf Instructors will use SNAG Golf equipment to keep the kids engaged and on task. In addition to athletic movements, students will be introduced to the basics of putting, chipping, and full swing. This class is designed for an adult to accompany the child for each session.

Junior Masters

Our Junior Masters program focuses on teaching our young golfers the fundamentals of the game of golf. Our goal is to provide the foundation for a lifetime of golf. We utilize SNAG golf equipment as we introduce full swing mechanics including: grip, stance and posture. The class will also spend time on chipping, pitching and putting. This class has been designed for parent participation. Our instructors will help parents interact with their child as it relates to golf, and help them provide proper feedback to their young golfer..

Advanced Masters

Students transition from a parent/child focus to player independent learning(No Parents). This class provides the opportunity to reinforce and build on the skills acquired in our Junior Masters golf class. In addition to continuing to focus on strong fundamental development, students will be introduced to golf course management, rules, and golf etiquette in a positive learning environment. This class is designed to prepare our golfers to play on the golf course and join our Little Linksters Golf League.

Junior Tee Level

Our Junior Tee Level class is designed for junior golfers that want to continue to develop the skills that they have learned in our Smart Start Classes. This class will be taught by our team of PGA/LPGA Professionals and focus on drills and activities that strengthen the skill set of the golfer. Golfers are now strongly encouraged to play and practice on their own in addition to their scheduled class time. Our Junior Tee Class prepares our golfers to participate on the Deerfield Junior Golf Travel Team. Junior tee participants are also appropriate for our Junior Golf Camps.

High School Tryout Prep

Our High School Tryout Prep class is designed to help area high school golfers prepare for their respective school golf tryouts. The class will be designed for competitive golfers to get the necessary reps in all aspects of their games prior to high school golf tryouts. The class will focus on chipping, pitching, putting, bunker play, and full swing. Each day our PGA Professionals will organize drills and competitions to help each golfer sharpen their skills as tryouts approach. This class is open to boys and girls entering high school in the fall.

Adult Classes:

SCORE Putting School

Did you know that the best players in the world make only 50% of their putts from eight feet? Becoming a better putter is the fastest way to lower your golf scores. Our SCORE Putting School will explore proper putting technique, and introduce you to drills that will lead to better feel and control. Students will learn the importance of distance control and clubface control, and will be introduced to techniques to train them properly. This class will also explore the art of reading greens and what a golfer should look for as they read a putt. Our goal is that each golfer leaves this class as a more confident putter.
