- The Season will consist of Two 8 Week Halves with Different Formats. (Same Scoring / Points System and Rules)
- 1st 8-Week Format - The top 2 teams at the conclusion of the June 22nd matches will qualify for the league Championship on August 21st. Only 2 teams will automatically qualify for the Championship. (Playoffs will determine the top two teams if any ties are in place) A 3 Hole Playoff will be used with existing handicaps to determine the sole top 2 teams. (Sudden death following the 3rd hole played)

- 2nd 8-Week Format – There will be (2) Flights an A & B Flight. Following the first 8 weeks of play the Top 18 Lowest Combined Team Index's (added together) will determine the A Flight. The remaining 18 teams will determine the B Flight.

The first-place team of the A & B Flight following the 2nd 8-Week Format will qualify for the league Championship. Any ties in either the A or B Flight will follow the same 3-hole playoff scenario as noted for the 1st half.

- If the same team qualifies for the League Championship in the A's vs. B's session the 2nd place team in that flight will represent that flight in the League Championship. Example: Team 11 gets 2nd place in first half and 1st place in the B Flight in session two. Result is 2nd place team in B Flight moves into the Final Four championship.
- The August 21 Finale will have a semi-final front nine match of 1st Place (Session 1 Champ) vs. 1st Place A Flight Champ and 2nd Place (Session 1 Champ) vs. 1st place B Flight Champ.

Final 9 Hole Match will have the front nine winners vying for the League Championship.

A constellation match for 3rd and 4th place will take place on the back nine with the other two teams.

The rest of the field will be playing a 2-person 9-hole scramble & a low net 9-hole event.

If the entire August 21 semifinal & finals matches cannot be completed due to inclement weather the final match format on August 25 will be a 9-hole Championship Net Total Match. All four Finals teams will play 9 holes and the net scores will determine the 1st, 2nd, 3rd & 4TH Place winners. Tie-breaker sudden death holes if needed will break ties.

- Substitutes Are Not Required this season but a team loses 1 point per player not playing. If only 1 team member is present with no substitute, the matches will be conducted as noted here: Player 1 will play both opponents in single net match play and with a doubled net score for an overall team score, with an opportunity to take all 8 points. Please note that both members of the team can miss up to 4 matches per half, they are not eligible to win any half if they exceed four missed matches in that half.
- Pace of Play and League Rules – **There is No Out of Bounds on the Course for this league.** All balls crossing our course boundary lines are to be played within a 2-club length drop no nearer the hole. (Old Lateral Hazard Rules & drop from height of a player's knees when in a standing position) The above includes lost balls deemed on course property. (With agreement in proximity from opponents and playing partner) All course boundaries are deemed lateral for this league. (Play as red lines / stakes)
