## Mike Bavier

Mike has worked 22 golf seasons at the Deerfield Golf Club. He is the Golf Course Superintendent overseeing maintenance and landscaping duties on the golf course as well as coordinating projects from drainage installation to renovation work. He enjoys providing a fun, recreational adventure for our golfing patrons and shares that working for the Deerfield Park District has provided him amazing and challenging experiences.

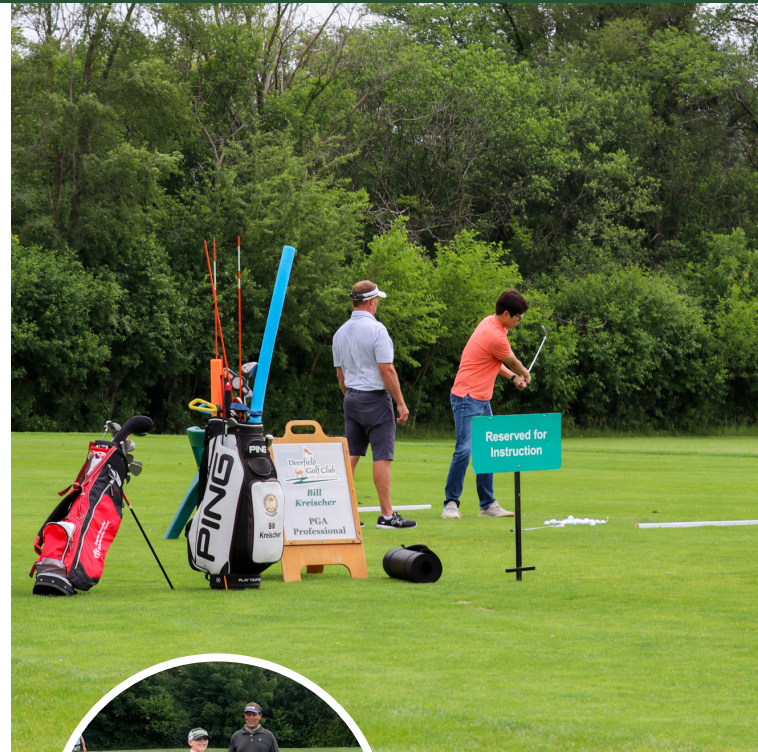

He is a proud member of the Golf Course Superintendent Association of America and the Midwest Association of Golf Course Superintendents. Mike's love of golf and golf courses began many years ago when he grew up locally in Arlington Heights playing a lot of golf at Inverness Country Club in Palatine where his father was the golf course superintendent for 39 years.

Outside of work, with his beautiful wife Kim and twin teenage boys Bryce and Jacob, he enjoys coaching youth baseball and soccer, watching and playing all sports, traveling with his family, bicycling, hiking, gardening, pickleball and watching movies.

Mike's wise advice is, "Take your time and do it right the first time. It's a marathon not a sprint."

### Intro to Golf, Motor Skills & Fitness

Golf, Motor Skills, & Fitness is a golf-specific sports program that incorporates athletic movements with golf fundamentals. The program teaches kids the fundamentals of golf through a series of athletic drills, games, and activities. Our team of US Kids Certified Golf Instructors will use SNAG Golf equipment to keep the kids engaged and on task. In addition to athletic movements, students will be introduced to the basics of putting, chipping, and full swing. This class is designed for an adult to accompany the child for each session.

### Junior Masters

Our Junior Masters Golf program focuses on teaching our young golfers the fundamentals of the game of golf. Our goal is to provide the foundation for a lifetime of golf. In this class golfers will now use real golf equipment as we introduce full swing mechanics including grip, stance and posture. The class will also spend time on chipping, pitching, and putting. This class has been designed for parent participation. Our instructors will help parents interact with their child as it relates to golf and help them provide proper feedback.

## Advanced Masters

In our Advanced Masters class, students transition from a parent/child focus to player independent learning (No Parents). This class provides the opportunity to reinforce and build on the skills acquired in our Junior Masters golf class. In addition to continuing to focus on strong fundamental development, students will be introduced to golf course management, rules, and golf etiquette in a positive learning environment. This class is designed to prepare our golfers to play on the golf course and join our Junior Tee Level Class, and our Small Group Summer Golf Camps.

## Deerfield Feeder Program

Our Deerfield Feeder Program is designed for junior golfers that are ready to take their game to the next level and continue to develop the skills that they have learned in our Junior Masters classes. This class will be taught by our team of PGA/LPGA Professionals and will focus on drills and activities that strengthen the skill set of the golfer.

- Class will consist of drills and exercises to further develop all aspects of the game.
- Class will introduce competition amongst participants.
- Students will learn a consistent process and understanding of fundamental techniques of full swing, putting, chipping, pitching and bunker play.
- Participants are strongly encouraged to play and practice on their own in addition to their scheduled class time.
- Each participant will receive five buckets of range balls and one 9 Hole Twilight round of golf (with paying parent) at Deerfield Golf Club.
- Our Feeder Program prepares our golfers to participate on the Deerfield Junior Golf Travel Team, and eventually their high school golf team.
- Participants are also appropriate for our Junior Golf Camps.

## Deerfield Junior Golf Academy Travel Team

The Deerfield Junior Golf Academy Travel Team is a steppingstone for those junior golfers that want to play high school golf. The goal of this program is to prepare team members for competitive situations that they will face in IJGA events, and eventually on their high school team. Our travel teams meet for practice two times per week throughout the season. Each practice will focus on skill development through a series of competitive drills and exercises led by our professional staff. Participants in this class MUST have experience playing and keeping score.

Members of our travel team are encouraged to play and practice on their own in addition to scheduled practices and matches. In addition to the two weekly team practices, our players will compete in a series of nine-hole matches as part of the North Shore Junior Golf Tour. These matches will occur at Deerfield golf club and at other local north shore clubs. Matches will take place on Saturdays for the fall and spring seasons, and on Mondays for the summer season. Team members will receive a team golf shirt or hat. Summer session has a vacation friendly option. Tournament round greens fees of \$25 per player/per tournament not included.

# ADULT GOLF PROGRAMS

## SCORE Short Game School

This two-hour class will focus on shots from 50 yards and in. Students will learn the mechanics of chipping, pitching, putting and bunker play, and how to become more efficient at all of them. These shots on and around the green are critical to shooting lower scores and becoming a well-rounded golfer. On the putting green we will discuss and work on putting technique, reading greens, and distance control. In addition to learning the proper mechanics of these different shots, we will also introduce a series of drills that can be implemented into your daily practice.
